## Evangelization matters!

**It is the Church's mission and an urgent call for all Catholics.**

### *How will your parish respond?*

RENEW International presents *Be My Witness*, a Christ-centered, Spirit-led process to transform your parish and form disciples for the New Evangelization.

*Be My Witness* draws its inspiration from *The Joy of the Gospel*, Pope Francis' landmark document on evangelization.

It gets the conversation started in your parish about the single most important topic facing our Church today — evangelization.

It gives you the power to build an ever-widening circle of conversion and commitment in two powerful ways:

- Phase 1: Engaging parish staff, leaders, and pastoral councils to lead change
- Phase 2: Engaging and forming parishioners as missionary disciples

**"In all its activities, the parish encourages and trains its members to be evangelizers. It is a community of communities ... and a center of constant missionary outreach."**

—Pope Francis, *The Joy of the Gospel*

# Be My WITNESS

Formation for the New Evangelization

### Phase 1: Engage your parish staff and leaders

Parishes are called to be "centers of constant missionary outreach." When parish leaders recognize that evangelization truly matters — and then focus on what matters — they create a vibrant parish culture for encountering Jesus and making disciples.

*Be My Witness* is a unique, practical approach to equipping staff, pastoral councils, and key leaders to address this vital challenge.

In the first phase RENEW International guides your parish leadership through the transformation process with training and consultation:

- Leader guides provide planning activities and best practices
- Parish assessment tools identify opportunities to become more
- Video-based learning modules inspire and inform
- Online training website offers easy access and convenience
- RENEW pastoral staff supports success in each parish

All resources in English and Spanish!

### Phase 2: Engage and form parishioners

*Be My Witness* invites all parishioners to become partners in the New Evangelization using parish-based small groups — a proven way to encounter Christ, reawaken faith, and motivate missionary outreach.

In this second phase, small-group members explore key insights from *The Joy of the Gospel* and develop the attitudes and behaviors of missionary disciples.

- Participant Books deepen understanding of the call to be evangelizers
- Companion video DVDs present real-life Catholic witness stories and evangelization insights
- Scripture and prayer offer a rich spiritual foundation
- Recommended action steps encourage living and reaching out as Christ's missionary disciples.

RENEW International trains a dedicated team of lay leaders to invite parishioners and foster small groups.

- Training and leader guides provide step-by-step direction
- Downloadable publicity resources support the rollout
- Available in English and Spanish
